Run Docker Images and Container from Docker Hub

1. Admin Project (`admin-v1`)

- Pull the image:
  ```
  docker pull hotchpotch25/pristine-single-ecommerce:admin-v1
  ```

- Check downloaded images:
  ```
  docker images hotchpotch25/pristine-single-ecommerce:admin-v1
  ```

- Run the container (name it `admin-v1`, map port 3001 → 80, detached mode, auto-remove on stop):
  ```
  docker run -t -p 3001:80 --rm -d --name admin-v1
  hotchpotch25/pristine-single-ecommerce:admin-v1
  ```

- Stop the running container:
  ```
  docker stop admin-v1
  ```

- Remove container (if it's still there after stopping and not using `--rm`):
  ```
  docker rm admin-v1
  ```

- Remove the image:
  ```
  docker rmi hotchpotch25/pristine-single-ecommerce:admin-v1
  ```

2. Shop Project (`shop-v1`)

- Pull the image:
  ```
  docker pull hotchpotch25/pristine-single-ecommerce:shop-v1
  ```

- Check downloaded images:
  ```
  docker images hotchpotch25/pristine-single-ecommerce:shop-v1
  ```

- Run the container (name it `shop-v1`, map port 3000 → 3000, detached mode, auto-remove on stop):
  ```
  docker run -t -p 3000:3000 --rm -d --name shop-v1
  hotchpotch25/pristine-single-ecommerce:shop-v1
  ```

- Stop the running container:
  ```
  docker stop shop-v1
  ```

- Remove container (if needed):
  ```
  docker rm shop-v1
  ```

- Remove the image:
  ```
  docker rmi hotchpotch25/pristine-single-ecommerce:shop-v1
  ```

3. Backend Project (`backend-v1`)

- Pull the image:
  ```
  docker pull hotchpotch25/pristine-single-ecommerce:backend-v1
  ```

- Check downloaded images:
  ```
  docker images hotchpotch25/pristine-single-ecommerce:backend-v1
  ```

- Run the container (name it `backend-v1`, map port 5000 → 5000, detached mode, auto-remove on stop):

  ```
  docker run -t -p 5000:5000 --rm -d --name backend-v1
  hotchpotch25/pristine-single-ecommerce:backend-v1
  ```

- Stop the running container:
  ```
  docker stop backend-v1
  ```

- Remove container (if needed):
  ```
  docker rm backend-v1
  ```

- Remove the image:
  ```
  docker rmi hotchpotch25/pristine-single-ecommerce:backend-v1
  ```
